

ASHBY PARK

ESTATES

COASTAL PINOT NOIR

WINERY INFORMATION

Founded on hard work and good fortune, Ashby Park Estates embodies the hard-working spirit that turned many friends vision into a truly world-class winery. A vision and a life-long passion for wine and the winery lifestyle.

WINEMAKER

Acclaimed winemaker Chad Alexander has been the creative force behind our critically acclaimed wines through his hands-on approach. Chad has overseen the production since inception and uses modern cutting edge equipment to produce non-interventionist wines that are naturally fermented and bottled un-fined and un-filtered.

WINEMAKING

The Ashby Park portfolio is a commitment to quality, distinction and wines that exhibit fantastic harmony. All the reds showcase an inviting rich fruit rusticity and the whites a seamless opulent freshness. Wines that meet the demands of the most discerning enthusiast.

PALATE & AROMA

Our single-vineyard Central Coast Pinot Noir is a smashing success, and for good reason: The vineyard offers exceptional purity of fruit, spot-on terroir expression, and mesmerizing elegance is tantamount. Coming from a dry-farmed, Organically managed, 'own-rooted' vineyard that cements our position for excitement with the 2020 vintage.
