ARLING BLAZE

2022 HOPE DIES LAST. PROPRIETARY RED WINE

WINERY INFORMATION

The darker side of California Wines. Our wines were born of a wishful dream – to make wines so distinctive and so delicious as to make it indispensable to wine lovers. Clearly a rather lofty, even unrealistic notion, but one we decided to pursue anyway.

VINEYARD SOURCING

Our grape growers span 362 acres of vineyards, primarily planted to Cabernet Sauvignon, Zinfandel and Syrah. With over 130 years and in several cases two generations of wine-growing experience, they are farmers first and believe in their souls they are doing what they love.

WINEMAKING

Since 2017 each wine is crafted from select blocks from our grower's best vineyards; our wines embody the essence of a terroir-inspired winemaking philosophy. Today, as winemakers our goal is simple – to allow each wine to find its own expressive voice through cutting edge technology.

PALATE & AROMA

Brooding, yet fresh. With black and blue fruits galore, tied down by red cherry-like acidity and fine, silky tannins. Underneath it all there's a hint of milk chocolate, a coffee bean-energy, and a raspberry drive. This drive belies the layers; polished yes, but complex and oozing potential. Long, perfumed, youthful & decant.

Composition: 40% Cabernet, 35% Zinfandel, 25% Merlot
